Dear Fantasy Runners,

The Inaugural Fantasy Run is almost here. The course is looks great and ready to race. We hope your training for the race is going well.

This is the first of our theme races at Gardner Village. On Hill Events has been doing theme races for 9 years if you include our Santa Run where all the runners dress up in Santa Suits and run during Christmas time. We hope our theme races at Gardner Village catch on as quickly and bring the same type of excitement as the Santa Run does.

The theme for this race is based on the Woodland Fairies Gardner Village puts up this time of year. We used that Spring feeling and are providing our girls with fairy wings (optional) boys antenna (optional) and a fun magical environment. The race will start with a fairy princess flying over the crowd (pending approval of cherry picker) and shooting fairy dust on the runners at the start of the race. Music with a magic theme will be played over the speakers. The medals are awesome looking with a 3" diameter and bright colors. (See image)

Packet pickup for the Fantasy Run will have two options. We encourage you to be at first one at Gardner Village at 1100 W. 7800 South West Jordan from 4-7PM on Friday May 6, 2016 at the Water Tower. We do a race day or last chance packet pickup at the race site from 5:30AM-8:00AM at the same location which is the start of the race. Please be at least 90 minutes prior to start if you are getting your packet on race day or at least 45 minutes prior to start if you already have your packet. It is always good to be early so you are not rushed race day. No one wants to still be in line at the restroom when the race starts. We are also planning some fun prior to start to help you get in the theme.

This race is a great flat to rolling course on the Jordan River Parkway Trail System. There are trees and a river along the course to help you feel like you are in a fairy woodland.

Parking – Please enter on the West Entrance and park in the North of Gardner Village. This will give you easy access and allow it to be safer for the runners on the course.

Joe Coles – Race Director On Hill Events
